Brenda, Please let your whole family know that you are all in my prayers. Remember, we were created for His pleasure and whatever was His reason for deciding this was the time for your mother to leave, He is still there to comfort you. I can certainly testify that your mother made a difference in this world.

She did a wonderful job of raising you! I know everyone will tell you to let us know if you need anything. What I am telling you is, please let me help if I can. If you need help with anything please let me know, even if it is just someone to talk to for a while. Take care of yourself and try to find comfort in the good memories. Rejoice that you had her for 72 years. Raylene
