Suzanne, you don't know me, but I worked with Matt at Henry S. Miller. He was adorable, I worked in the mail room, and when he would come in, in the morning to pick up his mail, or to come in and do copies he always had a smile on his little face. I loved talking to him. I have been gone from there since 2009, and do not know if he still worked there or not. But I am so sorry, God will love and protect you and the babies. And in the still of the night listen and feel with your heart and you will feel him there. Most Respectfully, Carmella

JEFF AND BRENDA PLOEN, APRIL 18, 2011

Susanne, Like so many of Matt's other friends, I remember speaking with him at work when you first met. He was so happy, and excited about what could be. He was a great friend and I enjoyed the 8 years we worked together. I will miss him. Your family is in our thoughts and prayers.

JIM & SARA HOERTH, APRIL 14, 2011

Matt was a frequent presence in our home, since he and our older son Stuart were fast friends from primary school on. He always was very polite as well as pleasantly persistent -- two qualities that stood him in good stead in his days as salesman. Mrs. Browne remembers him standing with her in the kitchen and attempting to sell her some Pilgrim Cleaner coupons. (He never succeeded, but always found a polite and cheerful way to re-introduce the topic on succeeding visits!) He also had a delightful sense of humor. All in all, a truly memorable guy whose presence will be sorely missed.

MARY JO AND DONALD BROWNE, APRIL 13, 2011

I was so very sad to hear about Matt. Susanne, you and I met at the 25th class reunion. He was so lucky to find you! Matt and I were "locker buddies" from 5th-12th grade. He was always such a positive, happy go lucky friend. I am

sure all of the GV and Hopkins schoolmates will be thinking fondly of him and keeping you in our prayers!

I was Matt's barber for the last few years. One of the first things I liked about Matt was the way his face lit up while speaking of his precious family. He told sweet, funny stories of his babies and spoke with incredible joy when he told me about and showed me pictures his lovely oldest daughter, Emily Grace. Also, he was kind to pull the husband card to help me book appointments with his wife. I'm going to miss Matt and his great stories. You all are in our prayers, Kristi Parker

I have so many fond memories of Matt, growing up together in GV we all were a very close knit group, playing baseball together on our Broadway Tire Babe Ruth team to hanging out into our high school years. I have very fond memories of Matt and our times together. He will always hold a special place in my mind and heart and I laugh out loud when I think of him and the nicknames we had for each other, Gringo he always called me and I countered with Mandingo, RIP Mandingo, my friend.

MICHAEL MCGREEVEY, APRIL 10, 2011
