I taught Micheal in a Starr Class one summer. What a nice young man... he did his work and made many days tolerable. His sense of humor helped me in so many ways to not take everything so serious. He once told me " let's have fun while we learn" and then he'd say ... what do you have to eat? I'm so sorry for your loss.

SHARON SIMMONS, APRIL 9, 2017

Brenda and Mike, My heart breaks for you. This is a pain that only God can help with. Please know that you are in my prayers. It is so hard to understand

why things happen the way they do sometimes. Our children should not go before us but God called your beautiful son home. He is an angel who know watches over you. I know that does not ease your pain but speaking as a mother who too has been where you are at now God will not forsake you. The pain will get to where you can go on and God is right by your side. We love ya'll and if there is anything we can do to help please let us know. Johnny and Penny Robbins
