Mira was an amazing friend to all, we had so many fun times together hanging out at the park or at her house always cracking up jokes and doing dumb

things. She brought smiles to so many faces and that will never be forgotten. My heart along with so many others including friends and family were broken to hear the news that she had gone. We will always love you Mira I hope wherever you are you are happy and safe.

MICHAEL KLINEDINST, APRIL 8, 2021

Even though I only fully known Mira since February 2, She was one of the most amazing friends I have ever had. We mostly talked in Chemistry, making plans to work together. The little memories of us just goofing off in class will be the most memorable. I will never forget the loving heart she had for me and everyone else around her. You will never be forgotten Mira. The Brem Family will always have my prayers.

VIVI MARTINEZ , APRIL 7, 2021

Mira was an amazing friend and I don't think I'll ever be able to forget her. She always lit up the room everywhere she went, laughing and joking around and being the general idiot she always was with us. I'm going to miss her deeply, and I hope that wherever she is that she is happy.
