DEIDRE LUMPKINS FROELICH, JULY 27, 2010

Hazel Owens was my beloved older sister and I will remember her with love, laughter, and hope. She was a funny, sweet person. She will be sorely missed by so many people. Hazel was always in command of her life--so positive and joyful. She was well organized and independent. About five years ago she planned her own funeral, even writing her own obituary. Arvella and i loved her so much.
