You will be greatly missed sweet girl. I remember when we first met on Texas Futures, and how you brought so much to the team. We were always making jokes, dancing around, and of course making memories as a team on and off the field. We will all miss you so very much, rest easy Nat. We love you.

Am sorry for your loss. I can't image what you and your family are going through but know that God doesn't put you and your family in this situation unless he knows you will be okay and with the Grace of God you and your family are in his presence and he is going to look out for you and Natalia. God Bless.

To the family of Natalia: Enough words could not express my sincerest condolences for your loss. In times like these, we mourn and will continue to mourn for days, weeks, months and perhaps years to come; however, I encourage you to look to the hills from which comes all of our help; our help is the Lord. There is comfort, peace and hope, during this time and beyond, that can come God alone. Allow him to be that for you!
