May God bless this family with peace knowing the love Olen had for all of them, while not replaceable in this lifetime, will serve as the example for all of us as he showed us what it looks like to love and lead a family with every minute we are given in this life. May God's peace wash over all in this time of grief and feelings of sadness be overcome by all the wonderful memories such a great guy made with all those he loved.

MICHAEL LICKTEIG, MAY 8, 2019

I met Olin about 6 years ago when we were working together at The Plantation Golf Course in Frisco as starters and marshals. Olin was a gentleman and, like the rest of us that had finished our careers, we were doing what we wanted to do as senior citizens. We loved playing golf and loved being around golfers and the golf course. Olin and I often worked together on the course. He was a pleasure to be around. He always greeted my wife, Suzanne and I when we came to the course to play golf and he was there working or playing. We know he was an avid golfer...and a good one. Olin will sincerely be missed but we

know he is in a better place and getting ready to tee it up. I can see him smiling now doing what he loves to do. Our blessings go out to Olin's family on their loss.

One of my favorite persons at BancTec. I'll always remember that laugh and whenever I see Kentucky Fried Chicken and jars of jalapeno peppers I'll be thinking of him.

ROBERT VOLDING, MAY 8, 2019

My heart felt condolences go out to y'all. The sadness I have in my heart for the loss of a friend is nothing compared to the pain that is in y'all's heart for a husband, father and grandfather. May the knowledge of knowing how loved and respected Olen was to his working family bring y'all some sort of comfort in the times to comes. Rest in Peace Olen.

JANICE GIDDENS, MAY 7, 2019

I worked with Olen for 10 years at the Plantation Golf Course. I enjoyed his wisdom and friendship for all of those years. I played with and against Olen in golf and I know he loved the game very much. I will miss his enthusiasm for golf and life. He often spoke of his family and those wonderful vacations. He is in no more pain and now he will be hitting those 300 hundred yard drives down the middle and making putts on every green.

WALLY O'REAR, MAY 7, 2019
