*Rest in peace ole buddy. I'm gonna miss those golf outings and all that free advise you used to volunteer. I've never in my life met anyone like you, nor do I expect I will ever again. You have certainly made my time here on earth better, just by being my friend. How joyous it must be for you to take that final journey home.*

**DAVE SPRINGETT, FEBRUARY 25, 2012**

*Dad, may the wind carry your ashes as far as you want to go. I know in my heart your gonna cause one hell of a dust storm and you wouldnt have it any other way... A true cowboy will never let go of his hat or boots and deep in your heart that's truly what you have always been. Your boots and will always be here to remind us of the strength you walked with everyday. Your hat will remind us of how hard headed you were and I think that's a true testament to the fight you put up until that last breath. You will never be forgotten. We love you pops*
