Pat's Family - your Mother was one of the nicest people I had the pleasure of knowing. I always enjoyed talking to her and laughing about some of the people we dealt with while she worked in the sheriff's office. May God's Peace give your family comfort.

Pat was a great neighbor & friend to my mother, Clara Smith. We missed her when she moved from across the street. I'm sure my Mother was there to meet her in heaven.

DONNA SMITH BARLOW, DECEMBER 30, 2013

Pat loved her trips to the Allen Natatorium for the Arthritis Foundation Exercise Program held twice a week. When she first came she had a cane and had difficulty walking and just after a few weeks she improved so much she didn't use a cane for many years after that. She was loving and caring to me and others, but didn't let us get away with much. She was feisty and we loved her for that. I have thought of her often since her last visit and will always remember her smile that lit up her face. Pat will always occupy a part of my heart and memory.
