Memorials

I'm going to miss you more than you know Patsy. 34 years ago I couldn't have told anyone were you worked or what you did. But you became my mentor and

working in insurance for you has meant so much to me. Who would have thought when I started at AIG in 79 we would both have the opportunities and experiences we did. Not only are you my Aunt but you became my friend and coconspirator in my adventures. Thank you for the great memories, you are at home now with J.T. Love you PK
