NEALSON ADAMSON, SEPTEMBER 9, 2018

It's so very hard to say goodbye to my very special friend of 54 years but it had to be done. As I sat by her bed 2 nights before she passed, I knew I had to say goodbye and as I started to leave I bent over and kissed her and told her that I loved her and she opened her eyes and whispered I love you too, then she closed her eyes. She passed a day and half later. She was a friend like no other. She will be so sorely missed.
