Ms. Peggy was a long time patient of mine. It was always a pleasure to see her and she always brighten my day. I loved her colorful outfits & jewelry that matched her wonderful personality. She will be truly missed. I am so sorry for your loss.

TRACEY BANKS, JANUARY 20, 2021

I hated to hear the news about Peg. She and my mom enjoyed their chats, though in my mom's later years were not as many. Peg always made me laugh when I would call. She was very proud of her family - her children, grandchildren and great-grandchildren. Her family was her world. She will be missed. Hopefully she and my mom can chat more frequently now and be our guardian angels.
