## Memorials

*I will never forget the trinkets and gifts Nana would give to me and my brother whenever she got a chance and how her face would light up when she saw us. She has been a part of my life since before I can remember and I will miss her.*

*Peggy was my cousin, and about 5 months older than I. We spent a lot of time together in our childhood but we moved in different directions so I didn't get to see her often in our later life. Condolences to her children and cousin Bill.*
