Piper Monroe Martin, 20, of Allen, Texas passed away, May 31, 2004, after a long battle with a rare metabolic disorder known as Hartnups, at Medical Center in Plano, Texas. He was born July 2, 1983. He spent the first 17 years of his life in Tyler, Texas, where he was lovingly cared for by his family, the First Baptist Church of Tyler and his school, The Wayne Boshears School of Exceptional Children. In 2001 he and his family moved to Allen, Texas to be near a larger medical community. Although Mr. Martin lost his ability to talk and then walk at an early age and his mental prowess waned with each passing year, his short life proved invaluable to medical science. Serving as a study model for the then incurable disease called Hartnups for a Texas funded research group at Herman Hospital in Houston, and infant diagnosis procedure, now known as “The Piper Test” was developed. This test and the subsequent treatment administered within the first six week of life can often eradicate the deadly syndrome, Hartnups Type II, from the effected individual. Martin's clinical study was published in the New England Journal of Medicine. He is survived by his father and mother, Danny and Livonna Martin of Allen, Texas; one brother, Garrett Lynn Martin of Allen; his grandmother, Marie Martin of Nacogdoches, Texas; grandparents, Rev. and Mrs. Thomas B. Guinn of Chattanooga, Tennessee; numerous aunts, uncles, cousins, and a long line of loving nurses and care-givers. Family and friends visitation will be at Turrentine-Jackson-Morrow Funeral Home at 2525 Central Expressway North at Ridgeview Drive in Allen, Texas, Wednesday, June 2, from 7:00-9:00 PM. Funeral services will be held at Northlake Baptist Church, 10110 McGree Road at Ferndale Road, Dallas, Texas, 75238, on Thursday, June 3 at 10:00 AM. Officiants will be Rev. Bob Mayfield of Tyler, Texas and Rev. Matt Baker, pastor at Northlake. Out-of-town visitors wishing to see family may do so immediately following the service in the church parlor. Graveside services and interment will be conducted also on Thursday at 4:30 PM at Sunset Memorial Cemetery, 5217 North Street, in Nacogdoches, Texas, 75961. Presiding will be Rev. E. Dale Hill, cousin of deceased, of Sugarland, Texas.

Memorials
We have prayed a long time for Piper and I take comfort in the fact that he is
resting in the arms of Jesus alongside Darrell. What a blessing that we have
the Lord Jesus to rest on here and in the hereafter. All my love and prayers are
with you.
LAURA HOLT TREADAWAY, JUNE 16, 2004

Our prayers are with you in the celebration of Pipers life. I am so glad I was in
your home briefly to care for Piper and Garrett when they were babies. It was
an experience I will always remember. Your family inspired me. Beverly & Don
BEVERLY CROZIER, JUNE 16, 2004

Danny and Livonna, you may not remember me, but I remember you--and
Piper. Lenvil, especially, always told everyone about Piper, and I was
saddened to read, only tonight, in browsing the Sentinel Obituaries, of his
homegoing. I just wanted to know that he touched my life, although briefly, and
I will never be the same because of that. I, too, want to thank you for sharing
the information as to his contributions to medical science and the development
of The Piper Test! Thanks for everything, and know that you will see him again
one day.
BARBARA BLACK, JUNE 11, 2004

We were saddened to learn of Piper's death. We will be praying for you in the
days ahead. What a comfort to know that even in our sorrow we have strength
for today and bright hope for tomorrow. We know that God's great faithfulness
will sustain you until you see Piper again.

Hey, Dear Friends! I was at Camp all this week and didn't learn of Piper's homegoing until mid-week. Our hearts are broken for you. Our hearts hurt with you this week. Be assured of our prayerful concern. We are somewhat acquainted with the death of a child: my only brother lost his 19 yr. old daughter in 1985 in a fiery car accident. Love you three! Watching the Martins as a family is a lesson in loving, caring and devotion. Piper gave us joy, heightened our awareness, made us laugh and most of all helped us learn. His legacy will not only help other children with Hartnup's, but has helped shape us in the way we view and react to the adversity and JOY of Precious life. His life and the love he inspired is precious to many for many reasons.

Danny and Lavonna. We are so sorry to hear of Piper’s death...he has truly suffered a long time as have all of you. After reading the obit in the Tyler paper, we realize how his life will help other children for many years to come. We are grateful that he is now in the arms of Jesus and is a complete person again. We miss you and are praying for you all.
GARY & CAROL ANN ADAMS, JUNE 2, 2004

Piper attended Andrews Daycare and St Louis with my son Cameron in Tyler. Being from Nacogdoches, and graduating from high school with Piper’s cousin Bryan, I was always very interested in his condition. I am deeply saddened to hear that he is no longer with us, but I can just see that beautiful sweet look on his face as he gazes into the face of Jesus and then runs into his arms.
JAN DOBBS BARTON, JUNE 2, 2004

What a precious loving boy. We have you in our prayers and thoughts and will
always cherish the time we were allowed to spend with Piper. We love you all and think of you so often.

JOANNE AND BOB WILLIAMS, JUNE 2, 2004

Sorry about your loss of Piper. I know it will be a mixed blessing. You were all so faithful and attentive to his care. I hope you can find comfort to know he is in a better place and whole again. Know that you will all be in my prayers. Jan

JAN WOOD, JUNE 2, 2004

When I think of Piper, I think of gentleness, affection, enthusiasm, gratefulness and contentment...the exact characteristics God desires in each of us. Piper was an exceptional young man, loaned to an exceptional family...you did well, and you all have been an inspiration to us. Piper’s life not only touched others but changed many of us in the process. Thank you for allowing us the privelege of encountering one of God’s most precious lambs. We love you.

CHUCK, AMANDA & ROBBIE MILLER, JUNE 2, 2004

I am so sorry for your loss, but I know you all have the peace of the assurance that Piper is at home now with our precious Lord. Love you all Pam

PAM A CHESLEY, JUNE 2, 2004

Livonna - I have often thought of you and wondered how all of you were doing. I always have had such admiration for you as you dealt with Piper's illness, and were also so good to and with your students at Owens. Piper was blessed with a loving and caring family. My prayers are with all of you. Please give Garrett a hug for me.

JULIEE DENMAN, JUNE 2, 2004

When I saw Piper’s picture in the paper this morning, I knew that had a brief and difficult life. I also knew that he had been surrounded through it all by care, compassion, and great love from his family. God comfort all of you.
