Memorials

Robert, it's been one year seems like only yesterday! Those are true words from your Tia Vickie, we were True "LONGHORN" fans and shared a lot of good fun times in Tio's man cave, we both miss you very much, each time we step outside your presence is out there with us, joking, laughing, listening to old school oldies, ELVIS! Yeah! So much more I can say but my heart is
hurting and still feels like you are not gone from us Thank you for being the true nephew that you were. I Love You, Tia Vickie Perez-McCoy

Dearest Robert: My friend, my friend, my brother so dear to my heart, what words can I use to describe what I'm feeling right now? Well we shared a lot together...I knew your struggles and the pain that you felt in your heart that just never seemed to go away. You shared in mine as well, we would cry together, sing songs of sorrow together together, but afterward we would laugh together,,, and always tell each other that it would be ok... but most important Of all I was so blessed to be able to share in your joyful and loving moments throughout your life, throughout the years that I spent knowing you..oh how it would make me happy to see you smile, the moments that we discussed the love and joy of your life ...and that was and ALWAYS been your momma... MARGIE...she was the true joy and love of your life. Oh how she loved you mijo, she always and only wanted what was best for you..so did I...we did our best to protect you mijo...how I'm going to miss you. You were taken too soon.. remember you told
me you were going to be my best man at my next wedding? Well that has yet
to be seen or done. Until then that day if God wills it, I'll have to settle for a
picture of you instead .. I'm just glad that I had the opportunity to be a part of
your life, you were do loved..I will miss you forever, my heart hurts too much
right now, but until we see each other again I will sing praises to our Father
God...for letting you be a part of my life if only for a short season,. I love you
mijo, will miss you forever Robert, my brother and my dearest friend to my
heart. Love, Jessie Hunter

Tia Margie, there are no words that express what you must be going through.. I
love you tia. My primo Rob was so full of life that all his memories we have of
him will last a lifetime. Thank you for bringing him into this world and letting us
share his laughter, his humor and even his little sarcasm. There will never be
another. I can't wait until I can reminisce about him with my other primos.
Thats what he would have wanted. "Lil" Rob, primo, until we meet again, you
are just in the next room waiting on us.
