Memorials
Our company provides the living green plant program for the office of 35*45. Robin will be greatly missed because each office visit we would briefly chat and laugh. We have worked for 35*45 for 18 years. Every Christmas Robin always wanted to do something special for the office and she often would order plants for her clients. I will be praying for the entire family as they go into this difficult period.

To know Robin was to love her. Her smile was contagious, and she could light up a room. I so enjoyed getting to know her through our business relationship, and it quickly grew into a more personal friendship. I know her friends, family and co-workers will dearly miss her. She only touched my life for a brief time, and I am so sad that we have lost her. But, we must smile, as she would smile and go on as she would. Heaven gained an angel, and I know she will watch over those she left behind. Prayers of comfort for everyone who loved Robin and who will miss her as I will.

What a beautiful tribute to your sister, Butch. As I told Terry, her life was so full of the things and the people she loved. Her travels, her beloved dogs and her family meant so much to her. Keeping you in our thoughts and prayers.

Butch and Terry, so sorry for the loss of Robin. I enjoyed her so much when she and Mildred would come to Midland and Mineola. Never remember seeing her that she wasn’t smiling. I know she will be missed by many who knew her. Prayers for your family, and remember all the good memories you have of her. One day all of us will join her and be reunited in heaven!
