Reverend Capps...what can I say. You blessed me more than you will ever know. Just by showing up to Bible study you gave me courage to teach and stand strong in my faith. Your encouragement will always be remembered. Your faithfulness was a mighty example to not only your family and friends but anyone who was around you for very long. You loved God and you lived to talk about him. I'll always remember your speaking in tongues ending in hallelujah! I thank God for allowing our paths to cross Brother Roy Capps. Rest in Peace my friend.
