TRANSITION TO ETERNAL GLORY

STELLA IRELAMIE MUSA

With profound sadness but total submission to God, we announce the passing of Mrs. Stella Irelamie Musa (nee Momoh) to eternal glory on Tuesday March 23rd 2021 in Dallas, Texas.

Stella Musa was a loving and devoted wife, mother, grandmother, sister, aunt and friend to many.

She was born on August 16, 1960 in Edo state, Nigeria to Chief Christopher Keke Momoh and Elizabeth Olere Momoh. She was much loved by her parents for her incredible love for people, determination and perseverance. She laid an exemplary roadmap in her pursuit of university education and professionalism. Her unquenchable desire to succeed coupled with her tenacity to attain the best in her educational career shined brightly and subsequently expanded the boundaries of female education within the family.

Stella Irelamie attended the famous University of Ibadan and obtained a Bachelor of Arts degree in Modern Languages. She also attended the University of Lagos where she bagged an LLB Law and BL Bachelor of Law from the Nigerian Law School.

She had a long spanning, fulfilling and successful career in Human Resources in Exxon Mobil Nigeria. After her retirement from Exxon Mobil, she established a private company specializing in HR consultation.

Born a catholic, she devoted much of her time to service of God and humanity and is a member of several pious societies at her church, St Charles Borromeo Catholic Church, Victoria Island Lagos, Nigeria. She served as President of Catholic Women Organization (CWO) for several years. She was a member of Sacred Heart of Jesus and Immaculate Heart of Mary Society, Confraternity of Our Mother of Perpetual Help, and served severally in the church

harvest committees.

Stella is survived by her husband, Paul Musa, of Nigeria; her daughter Christina Dhamo (nee Onyeugbo) and her husband, Ilir Dhamo; her daughters Havilla Musa and Joanna Musa; her son John Musa and her grandson, Noah Alexander Dhamo. She is a member of a large family and is survived by many brothers and sisters who she mentored and provided inspiration to.

Stella Musa radiated and preached love and forgiveness, often sighting examples from scripture. She was known for her extremely friendly, warm and pleasant personality. She touched many lives and impacted them positively. Her departure has left her friends and family devastated. Although she still had much to give to humanity, it has pleased the Almighty God to call her at this time. She will be sorely missed and will forever remain in our hearts.

Memorials

It's hard to believe that Stella girl is gone. She's gone too soon! The ExxonMobil community is saddened by her sudden exit and I am particularly pained by the loss of an amiable friend and colleague. Stella and I were in the same department in her last 3years in ExxonMobil. She served Mobil Producing Nigeria meritoriously for over 30years, from Jan 1985 to Dec 2015. She was a very diligent worker who took her job seriously. In the words of her former boss, Stella was a dedicated staff per excellence. Stella was a woman

of faith, she was a devout Catholic, she was a a great soul, welcoming everyone with a nice smile. She was like a sister to all. She will be sorely missed. My heart goes out to you, Mr Paul MUSA, Ewere, Havillar, John and Joana, I pray that the Almighty God give you the fortitude to bear this irreparable loss. I know it's very tough to bear, but please take solace in the belief that your golden Jewel, Stella, has gone to rest peacefully in the bosom of the Lord, away from this troubled world. God will give you comfort and an everlasting peace now and forever more. Amen

ADEBIYI ADERINTO, APRIL 17, 2021

Rest In Peace! You were loving and impactful woman, May you live through your children and grandchildren; may your love and kindness live on!

JOSEPHINE AND GODWIN ONYET, APRIL 16, 2021

The news of the death of Mrs. Stella Musa is still like a dream to me. How could it be Mrs. Stella at this time? Why Mrs. Stella who has been such a wonderful and caring mother to me? The words of her last motherly advice to me is still very fresh in memory. Her humility, simplicity and generosity was next to none. If the life of Mrs. Stella affected me positively as a person who is not her immediate or extended family member, how her life would have positively impacted the members of her immediate and extended family! I pray for you her family that God will give you fortitude to bear this irreparable loss and may the soul of Mrs. Stella Musa and the souls of the faithfully departed through the mercy of God rest in peace. Amen.

It was shocking because I saw her after returning from her daughter's wedding, at a year-end party organized by Work Buddies, a platform of Ex-Mobil in December 2019.

She looked so radiant that I remarked 'who really got married, you or your daughter'. She looked so stunningly beautiful. This event now turn out to be the last time I will ever have any physical contact with her. Stella Musa (nee Momoh) was my immediate assistant while I was Manager, Personnel & Foreign Resident Administration. She was like my own biological sister; so pleasant and very respectful to the extent that I was prepared to take any risk to make her happy, and we did took some risks to together. WORK BUDDIES, EX - EXXONMOBIL, APRIL 7, 2021

A TRIBUTE TO MY CHILDHOOD FRIEND-STELLA IRELAMIE MUSA. It took me so long to do this, I just could not bring myself to write tribute of my childhood friend. I am doing this in so much pain and tears because our lives were joined, running the same race since 1971, we went through secondary school together, university, we were best friends, always hanging together during all our midterms at Auchi/Jattu in company of Fatima Mede and her sister Patricia Opute. After our secondary school in 1975, we did our A levels together in Benin. We were always together at her aunty's house on Sapele Road. Stella's house was my second home. After A levels, we both went to University of Ibadan to study languages and went to Moscow together in 1980/1981 for our year abroad programme. Stella and I never had a break in our 50 year friendship. So I thought our friendship was forever, and forever means growing old together, it never occurred to me that we will be separated for good in our early 60s. But what can I say at this point as a Christian, God knows best and He does not do wrong. I thank God for Stella's life. She lived a fulfilled Christian life. Her church was her second home. Stella was a loving and gentle soul. For the 50years that I knew Stella, she never complained about anyone to me except for early marriage teething problems which they both overcome immediately and became each other's "honey" and inseparable

couple. Stella was a reliable and dependable friend. Although Stella did not live a fairly "long life". She lived a fulfilled and quality life, she lived caring for others, she was selfless and lived for the church, she lived making sure everything and everyone around her was okay. After her hard work here, I am very certain my friend is resting with her maker Our Lord Jesus Christ. Good night my friend Stella Irelamie until we meet again at Jesus feet. I will miss you so so much. Genny Adeosun

Aunt Stella as we used to call at Mobil Producing in those days. You were a loving and lovely manager, as your secretary in the HR Department, you role modeled me, committed to high quality and excellence. The way you conducted yourself and dressed to kill inspired me to pursue a career in HR. Without a doubt, you were a Guru in HR, your knowledge was impeccable. Now wonder all the Expatriates would flood your office for solutions to their queries. Sleep on auntie Stella. I was opportune to attend your marriage back then and it was a fairy tale wedding, it did showed your high standard at the same time your humility. Love you to bit Auntie Stella! We lost contact when you left Mobil but I had hoped to connect with you again one day only for me to hear of your demise. I can't still believe that you're gone. Sister Stella as I fondly call her, has gone to a better place. I first met her when I joined the Corals of Etsako socio-cultural club. I liked her the moment I started interacting with her. She had an amiable and pleasant personality. I knew her for almost three decades. We love you but God loves you more. May God grant your sweet soul peaceful and eternal rest. And may the Almighty God grant the family you left behind the fortitude to bear your irreplaceable loss, amen.

DR. ROSEMARY DANESI, APRIL 1, 2021

My dearest sister Inlaw Stella, you were a gem so difficult to let go but in total submission to the will of the Almighty God, we celebrate your very truly impactful life. You literally left a sweet fragrance in the memory of many lives you touched. I will never forget how you welcomed and settled me into ExxonMobil during my NYSC days. I later transitioned to become your colleague and ultimately family in every sense of it. We have had many sweet memories spending time together in your home and ours. Just a few weeks ago we shared some laughs, prayers and past memories. Your role and support during the burial of both of my parents will always be remembered. We will miss you on this side of eternity but still rejoice in the hope of a reunion in Christ Jesus on the resurrection morning where all Saints will reign in unending joy in His presence. In love, we say good night for now. John & Patricia Musa

I am shocked to hear of the untimely death of a wonderful faithful of our Church - St. Charles Borromeo Catholic Church Victoria Island, Lagos. I have come to know her as a good practicing Catholic to the core, ever so cheerful and indeed a sweet soul to know. I am sad to hear that you departed at a time when you are needed most to finish the work you have started here on earth but I am glad to know you have gone to your Maker where there is heavenly bliss and no toil. Rest in peace sweet Stella.

PATIENCE ODU, MARCH 31, 2021

OLADIMEJI ISIAKA, MARCH 31, 2021

Too soon Stella, too soon. Rest in perfect peace.

GLORIA ESSIEN DANNER , MARCH 30, 2021

Madam Stella as I liked to call her became a friend when we worked together in NPO. She never took offense at anything even when I teased her on different issues. We always managed to have a hearty good laugh at the end of every argument. Among all the people I know who have gone to Vatican/ Jerusalem, she was the only one that brought me back a picture of our Holy Father which I used to show case in my office then- my own 'Papal Medal' as I liked to refer to it. It was really a shock to me to hear of her passing as I did not even know she was sick. This death indeed confirms what Shakespeare noted about life - "... but a walking shadow, a poor player, That struts and frets his hour upon the stage, And then is heard no more". I can't believe Stella that I chatted with late last year on the sidelines of a discussion in our Retirees

platform is gone. Just like that! I now commend her entire family to the care and love of our God Almighty.

EDWIN NWAGWU, MARCH 30, 2021

Dear Stella. May the faithful departed rest in perfect peace and may God Almighty grant her family the fortitude to bear the loss. Stella was my sister in Mobil. We met while on secondary vacation at Auchi and also met briefly at the University of Ibadan. Stella joined Mobil Producing Nigeria Unlimited, a few years after I and our relationship rekindled. She was the Godmother for my 2nd child and was always present at all our family events. My last meeting with Stella was in late December 2019 at a reception for the daughter and son-in-law at Lekki Phase 1. Never knew this was her goodbye party. We will miss your ever-smiling face and availability to help others. Rest in peace Stella.
