Memorials

To Steve’s family: I worked with him at Chiang, Patel & Yerby and thought the world of him. He was always happy and kind, such a wonderful person. In fact on one of his and Lucy's trips to China I asked if he would mind bringing me something back for my daughter who loves anything asian. I was expecting
something picked up from the airport. Instead he brought me back very nice things. It meant alot to me that he took the time to do that while on vacation. You will be missed my friend!

RONDA LOVELL, NOVEMBER 19, 2010

To Steve’s family: Steve was a wonderful colleague and a friend, his can do attitude and sense of humor always made the work environment a fun place. I relied on Steve and he always came through. He constantly talked about his family, Lucy, Caitlin, Nash and Ryan, he was a family man. Please let me know if there is anything I can do now or in the future. Steve will always be my friend. My family and my prayers are with you.

To Lucy and all of the family, Steve was my best friend when I moved to Dallas in 1980. We played softball, scuba dove in Cozumel, and enjoyed the camaraderie of those happy years. All of those times will never be forgotten. And I know he was a great husband to you, and a great companion. Know that he will be missed by countless others of whom he made to smile and laugh. Farewell my friend. Lee
