God is Good. He granted me a gift of friendship with one of His most precious creations, that spanned for over 30 years. My cup is over-flowing with Thanks, Laughter and Joy for what was given to me through Steven. The last conversation I had with Steven was in-person in Little Elm, Texas April 13th, 2010, as we shared lunch together and lots of laughs. The last thing I said to him as I hugs his neck was, "I Love You" Steven said, "I know you do"
