

Terry Paul Bacchus

July 10, 1947 - October 17, 2016

Terry Paul Bacchus, 69, of Frisco, Texas passed away suddenly on Monday, October 17, 2016. Terry was born on July 10, 1947 to Harold and Clara Bacchus in Ft Worth, Texas. Left to treasure his memory is his wife of forty-seven years, Rosemary (Boals) Bacchus; children: Amy Bacchus of Blanchard, OK; Barry and wife Lanna Bacchus of Frisco, TX; grandchildren: Alex and Lydie of Frisco, TX; brothers Steve and Suzie Bacchus of St. Jo, TX; Tom Bacchus and partner Anthony Luedicke of Haslet, TX. Nieces and nephews: Jason, Cory and Paul Bacchus and Nathaniel Bacchus Luedicke. Terry is preceded in death by his parents.

Terry enjoyed being a pharmacist in Frisco for many years. From the days of having his own pharmacy to his present position at Tom Thumb pharmacy, he treasured the many friendships he made over the years. Terry loved spending time with his grandchildren and cheering for his favorite team the University of Houston Cougars.

The Bacchus family will receive friends at Turrentine Jackson Morrow Funeral Home – Frisco on Tuesday, October 18, 2016 from 6 – 8PM. Graveside services will be Wednesday, October 19, 2016 at 10 AM at Ridgeview West Memorial Park with Rev. Judith Reedy presiding.

Memorials

Rosemary, I was saddened today to learn about Terry's passing. You know he and I shared a similar sense of humor and he will be greatly missed. Not only by me, but the entire community that has ever met him. My prayers are with

you and your entire family.

DOUG JOHNSON, DECEMBER 30, 2016

Rosemary, I was so shaken to hear of the sudden loss of Terry when I went to the Rx, as I'm sure you were. I completely understand how you must have felt because my husband passed away suddenly in 1998, and I learned of his death the next day. I realize there is no way to be prepared but please know you, and your family, have been in my thoughts and prayers for God's comfort and peace. Rosemary, I have learned there is solace in "good grief" - meaning, that when you grieve, you remember all the good times, the good memories of the two of you together all these years, the good remembrances of him with your children and grandchildren, and the good acknowledgments and sympathies of all your family, friends and acquaintances at the Pharmacy. Terry will be missed by so many, so often. Think of Terry often, don't let his memories fade away. My prayer for you is that the sorrow and grief of losing a husband, a father, and best friend will gently fade like the fragrance and petals of all the flowers given in his memory, leaving only the sigh and smile in remembrance of the smell of his cologne, his skin, his breath, his love - as you cherish him the rest of your life. He was significant, he brought comfort in his knowing advice to me and so many others. Terry wore the shoes of a giant in the community that cannot be easily filled any time soon. I appreciate you, Rosemary, and would gladly take the time to let you share your "good grief" with me at any time. Best, Janis Jackson

JANIS JACKSON, NOVEMBER 21, 2016

I served Terry and Rosemary at my work all the time. My heart hurts for those left behind and I'm sending my prayers. Terry was a kind man with a great sense of humor, my heart was always filled with joy when I saw the two of them come in. I can only hope to find a love like theirs. God bless you all and God bless Terry.

MARY WILLIAMS , NOVEMBER 21, 2016

My employment association with Terry Bacchus at Tom Thumb pharmacy was not long; however the relationship was truly inspiring and dedicated. There was

not a day that went by Terry Bacchus did not put a smile on my face. A True inspiration and dedication to the field of pharmacy I admire his patron, heroin and community advocacy to make sure every patient was taken care of.

*Funny, Intelligent, charmer and a Friend. There will be no replacement in this world for a person; whom I worked with :named Terry Bacchus. He will rest in peace and I will always remember him and the community he helped. A big Family with a great heart and wonderful smile. Terry Bacchus I will miss you.

ERIC PARKER, NOVEMBER 13, 2016

We have been customers of this Tom Thumb pharmacy for 18 years. I went to refill a prescription today and Rosemary was waiting on us. Even with my shock at finding this out she still had that same sweet smile on her face. They were such a precious couple, and I loved it when Terry was working. He would always give me a hard time because I don't cook and my husband does. He was always teasing me and would ask us what we had for dinner to make sure I was feeding and taking care of my husband. Gosh I will miss him behind that counter. What a huge loss. What an amazing man. I will never forget him.

ADAM & MARIA PETERSON, NOVEMBER 3, 2016

My sincere condolences to Rosemary, children and extended family. I am a customer of the Tom Thumb Pharmacy and have always appreciated Terry's professionalism, attention to detail and outright thoughtfulness. This loss is enormous. Please know that there are many of us who are thankful that there are special individuals like Terry in the world. He always made the day just a bit better. God bless.

JENNIFER JAFARI , OCTOBER 27, 2016

Dear Rosemary, Amy, Barry and your entire family.....I am so saddened to hear of Terry passing so suddenly. I'm sure you're still in shock as it's never easy to let our loved ones go, it's even harder when it happens so unexpectedly. I don't know if you even remember me - but (my ex, Mike & I) lived behind you in Frisco YEARS ago and Amy, Barry, along with Brett Roberts, came over and played with my baby daughter Abbey (who is now 37!)

and used to stand at the door and wave & say 'bye-bye' until she learned to say it back to them, at age 6 months!! You have always been such a sweet, kind, gentle person, and you and Terry were an awesome couple that set such an example for others. I think of you every time I come to Frisco & I apologize for not staying in touch. Please contact me and let's get together, as I too lost my husband 10 years ago last February. So, my heart goes out to you and know that y'all are in my prayers & I ask God to give y'all the peace that passes ALL understanding! Donna :(

To Amy, Rosemary, and Barry, I am so sorry for your loss . I never saw Terry without a smile on his face. I remember one Thanksgiving Mom and I had no

plans, and y'all invited us- it was a wonderful day, of course. There is no possible way you could be in a bad mood around Terry Bacchus. I can honestly say that every single memory I have had of y'all are good ones. He loved his family, his friends; he was that rare soul that could make you feel you were the most important person in the room. I know this is a time of sorrow, but eventually you will remember the laughter, too. I love you guys- please know that during the most difficult moments, God is holding you in His arms.

RICKIE AND CAROL JAMES, OCTOBER 21, 2016

Rosemary Family & Friends. Its sad to lose someone in death. What helped me the most was prayers and faith in God's promise at Psalm 34:18 "God is close to the broken heart: he saves those who are crushed in spirit." For more comforting scriptures, please visit: <http://bit.ly/1K38EFt>. God's Kingdom that Jesus taught us to pray for will bring about these wonderful promises. IRENE KEYES, OCTOBER 21, 2016

My heart breaks at losing funny, wonderful Terry so suddenly and before he should have been taken from us all. I was a longtime pharmacy patient of Terry and Rosemary's, whom I love like family. For years, Terry watched over my meds, talked to my doctors, double-checked on what meds and vaccinations were allowed right before things like heart valve and spinal

surgeries. He was quite literally the kindest, funniest soul imaginable, and I loved and appreciated having him as a part of my medical team. I will miss him so very very much.

EMILY RICH, OCTOBER 21, 2016

In life, I have learned that kindness without question is beyond the capacity of words to describe...until now. Terry, on more than one instance, demonstrated just that. Truly, one of the kindest souls I have ever known. Too soon gone, so sorely missed he will be.

MICHAEL KAMPSCHNEIDER, OCTOBER 20, 2016

Terry, We will miss you. You always helped my wife and I. So dedicated to your work. Friendly, always a smile on your face. You just gave me my flu shot last week!!! Gone too soon. May God welcome you with open arms. Tim Filesi

MARK AND WILMA VIKTORIN, OCTOBER 19, 2016

Rosemary, we just learned of Terry's passing and are so saddened. Terry had been our pharmacist at Tom Thumb for the last 11 years. But it was more than that, he was a true friend to both of us, every time we came in to pick up a prescription, he was smiling and teasing Delores which she loved. We will miss him. Our condolences to you and children. God bless you.

He was loved by many and will be dearly missed by all.

KEN CROSS AND FAMILY, OCTOBER 19, 2016

I was one of the many who was lucky enough to work with Terry. I learned a lot just by watching him. He was so kind to everyone. Every time my son would come to see me at work Terry would put a dollar in a prescription bottle and give it to him. I am not sure which one of them got more pleasure out of that.

I am so sorry that I never stopped by to visit them after that. he was always so happy. I thought of him and Rosemary and wondered how they were.
