Memorials

There will never be another Theresa. She won the hearts of anyone who had the fortune to know her. The world suffered a great loss the day Theresa returned to our Lord and Maker. Theresa left a HUGE footprint on my heart.

The world will never be the same! I will always love you, my friend.

JUDY BICKFORD, AUGUST 4, 2014

I miss you so much!!

LINEE CUCINOTTI, MAY 14, 2013

My condolences go out to Theresa's husband, Jeff, her children Amanada, Linee, and Joe; and her entire family during this tough time. Even tho I never really knew Theresa (I've only known her son Joe since spring '07), seeing some of the condolences, thoughts, memories, etc left on various pages proves she was a sweet lady who truly cared for her friends, family, work, and everything and everyone around her. Even tho she is now in heaven, she will always be watching over her loved ones, smiling down on them, proud of what them and what they have (or will) accomplish.....Riposare in pace, Teresa. Lei si sar  pers .

I was a client of dear Theresa's. Not long after I had been having her style my hair my mother passed away. And of course I told her all about it at one of my

appointments. On the way home from that appointment, I got a call from one of those eatable bouquet places. Theresa and Linee had sent me chocolate covered cherries !!! I will never forget her kindness, and our friendship. I'm so glad I got to know you Theresa.

LAURIE HAMMEKE, MAY 16, 2012

Theresa you will be missed! We were so close at Jeff HS and the early years of our married lives. We moved into the same neighborhood, our children went to the same grade school. Then distance came between us. We re-connected with FB, just a few short months ago and now you are gone. I will cherish the memories of all the wonderful times we had. You will always be in my prayers. My family and I will like to extend our condolences to your entire family.
