YOLANDA VELAZQUEZ, OCTOBER 14, 2011

When we lose a loved one in death we may become overwhelmed with grief. The Bible tells us that Jesus wept when his dear friend Lazarus died. Yet, just minutes later, Jesus performed an astounding miracle-he raised Lazarus back to life. (John 11:32-44) In so doing, he gave all mankind solid grounds for faith in the amazing promise he had made earlier in his ministry at John 5:28,29. May the precious hope of the resurrection to life on a restored paradise earth comfort you all and give you peace. (Psalm 37:29)

CHERYL D., OCTOBER 13, 2011

To My Beloved Husband You are the man whom I fell in love. That man that a woman is proud to have The man who works hard to provide the best for his family. That man who is looking for new things to offer new experiences. The man who is always looking for the opportunity to share a good time with family (mother, daughters, son, grandchildren, siblings, nieces, nephews and other family members). A man with whom we enjoy making dinner, watch TV, do new things to the house, going to dinner, go dancing, decorate the house for Halloween and Christmas. Go on motorcycle rides and explore new routes. A man who sings me songs that are important to us. A man who likes to play guitar. A man who each day by day in the morning the first thing I see are his eyes and my first kiss and at night lie down with a goodnight kiss and a hug. God Bless You. I miss you soo much. You're always in my thoughts and in my heart. I Love You With All My Heart Your Wife

MARTHA ALMANZA, OCTOBER 13, 2011

I will never forget the lessons you taught me and all the love you offered while I

was growing up. I owe so much to you as you were certainly an inspiration for me growing into the person I am today. Your hobbies became my hobbies. And many of those hobbies helped me decide to become an Engineer and I thank you for that. Your sense of humor was infectious. I will never ever forget you.

RITA PINEDA, OCTOBER 11, 2011

Para mi Amado Husband Tu eres el hombre del cual yo me enamore. Ese hombre el que una mujer se siente orgullosa de tener a su lado. Ese hombre que trabaja duro para darle lo mejor a su familia. Ese hombre que esta buscando nuevas cosas para dar nuevas experiencias. Ese hombre que siempre busca la oportunidad para compartir con la familia (Madre, hijas, hijo, nietos, hermanos, sobrinas , sobrinos y demas familia. A ese hombre con el que disfrutabamos compartir haciendo una cena, ver TV en familia, hacer cosas nuevas para la casa, ir a cenar, ir a bailar, decorar la casa en Halloween y Navidad. Ir en la motocicleta conociendo nuevas rutas. A ese hombre que canta conmigo las canciones que son importantes para los dos. A ese hombre que le gusta tocar guitarra. A ese hombre que cada día a día en la mañana lo primero que veo son sus ojos y mi primer beso y en la noche al acostarnos nuestro beso de buenas noches con un abrazo. God Bless You. I miss you soo much. Siempres estas en mis pensamientos y en mi Corazon. I love you with all my heart your wife
