WALLY WALKUP, DECEMBER 11, 2012

First time I met Walter was on a lacrosse field in Dallas Texas and could speak to him face to face, I told him how I cut out of school on LI early to watch him play. I got caught and had 3 days detention... so I told him it was his fault because he was so good we had to come watch him play. That was not the first time I met Walter... just the first time I got to speak with him directly. I had run into him on lacrosse fields in NY, North Carolina, and Texas... but it wasn't until his tenure on the great Dallas Lacrosse teams of the late 80's -early 90's that I got to know him. Heart of a warrior, wit that was scathing, a friendship that was enduring, and a personality that was far beyond noteworthy and endearing. I am sure that the team you end up on next will be a better one for having you on it my friend. You will be missed

My thoughts and heart felt sympathy are with family and friends of Walter. I played lacrosse with Walter at NC State and have many fond memories of those days. Walter always had a smile on his face and was just a fun guy to be around! I knew Walter was in Dallas and was planning on hooking up with him sometime and am saddened that I will miss out on that opportunity. For my time on this earth Walter will not be forgotten. With love to his family,

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Leo Buscaglia

Walter thank you for your kindness over the years may you rest in peace and
