Memorials

What a loss! When I was young I would go visit his dad, Vance, in McKinney Texas and saw Warren there many times. He was one of my hero's and later in life I visited him at his farm in Plano. I will never forget him and had the privilege's to talk to him several times over the past few years. RIP sir and I tell you sir, you will be missed by many.

DALE BENKE, OCTOBER 12, 2020

Our condolences go to Reed, Vicki, Preston and the whole family. Your daddy lived a long and productive life. For that I know you are grateful. Our thoughts and prayers are with you.

DEBRA AND PAUL POPE, OCTOBER 9, 2020

My deepest sympathy to you all. My parents and Warren & Georgia were long time friends. I will never forget coming to McKinney to watch the 2001 Presidential Inaugural with my Dad, James Risinger. Watching the ensuing parade Daddy was particularly watching for a group of black horses because "Warren's horse was in the group". Because we saw the entry I assume we saw the much anticipated appearance of "Warren's horse". On many occasions Warren would call Daddy and ask if the long retired county agent would like to take a ride to some part Warren's Ag operation. Daddy always jumped at the chance to spend delightful hours like this with Warren.
