Wendy has touched so many people during her time with us including her friends from Saint Mark's parish in Plano, Texas, Christ Renews His Parish (CRHP-8), Girl Scout troop, colleagues from Tektronix and countless friends from all over. The love and support of her family and friends helped her with her transition and we would like to thank everyone.

# Memorials

*I was not aware of Wendy's passing till now. I met Wendy when we were students at Collin College... back in the day it was Quad C. Wendy was always approachable, friendly, smart, and so sweet. I remember when she and Ignacio began dating and then got married at St. Marks. I lost touch with Wendy; however, thought of her often through the years. May God bless her family.*

*Wendy continues to be an inspiration to me about how much of a difference it can make to be calm and cheerful in the middle of a stress. You always wanted to work with her because she knew what was going on, and she was very attentive to the details. You always knew that she cared about all of it. It was a pleasure working with her, and her loss is felt keenly.*

OLEVIA TAYLOR, JANUARY 20, 2014

*Prayers and condolences to Wendy's husband and girls. I'm so truly saddened by your loss, words can not do it justice. Wendy was one of the nicest people I ever knew: she always had a smile and a kind word to say. Seeing her sparkle with the pride and love she had for her girls was remarkable. I am so thankful that even though she had to endure such a battle, she was able to spend so much time with her family the past few years. I know that her spirit and her love for them will never cease. Rest in peace, Wendy, we will remember you always.*
